Hi Carol,
Thanks for sending this. I still want to speak with you, but in the meantime will you please review and agree to the attached stipulation to extend the City's time to answer? Thanks.

The HOPE officers know who he is so, in our view, is not a question of some "abandoned" property. Also, I want to let you know that I did speak with Dominic Choi, LAPD Commander of HOPE, on two occasions about the original property confiscation and one of the more recent ones.
